Personal Profile

I am a Frontend Engineer. I also have experience in Mobile Development, Backend development, Business Analysis and Marketing. Strong communications skills, attention to details, enthusiasm and willingness to learn are some of my personal attributes and soft skills. I also have a Bachelor Degree in IT with a major in Mobile Applications Development from the Academy of Information Technology (AIT) and a Bachelor in Business Management by the Catholic University of Sao Paulo. Mixing my experience in Business Analysis and Marketing with my experience and passion for Web & Mobile Development I can both develop the solutions and find the best approach on the business side of the solution.

Career Profile

- Experience in both Start-up and Corporate environments.
- Mid-level Front End Engineer with experience in React, Angular, SCSS, Html, NodeJS, React Native, and a little experience in the back end with Golang, Python, Java, PHP and AWS.
- Commercial experience working with JavaScript, TypeScript, Angular 2 to 7, React, React Native, Redux, GraphQL, AWS, CI/CD, Python, Golang, Java, Spring Boot, PHP, HTML5, SCSS, OOP, REST, MySQL, PostgreSQL, GitHub, Bitbucket, Gitlab, Sketch, Adobe Experience Design and Adobe Photoshop.
- Familiarity with Android (Java) and iOS (Objective-C).

Career Achievements

- Working for Ananas, I applied my experience in SOLID principles, JavaScript, Solution Architecture and UX leading two other developers on the build of the Front and Back end of the platform.
- Working in Adelphi Digital Consulting between 2017 and 2018 I had the opportunity to achieve great outcomes on the projects I was assigned, having worked for medium to big organisations and government agencies as UX Developer, JavaScript Developer and Frontend Lead Developer.
- iAwards 2016 NSW and National winner with the final project in my Bachelor of IT. After these awards I secured a place in the APICTA Awards 2016 held in Taipei, where I received a Merit recognition.
- Achieved a GPA of 79 and was awarded with the Dean's Award on my graduation at the college.
